work experience
(references available
upon request)

FACEBOOK Palo Alto, CA *June 2009 – present*

Product Designer (present), **Product Design Intern** (June 2009 – August 2009)

Currently, I work on the commerce and search teams, where my responsibilities include making Photoshop mock-ups, contributing to front-end implementation, and user testing of new products.

As an intern, I redesigned the form used to create and edit events on Facebook.

GOOGLE New York, NY *May 2008 – August 2008*

User Experience Design Intern

Designed and prototyped a new feature for the front end of Google AdWords.

Collaborated with engineers, product managers, and usability researchers in order to drive my designs from concept to implementation.

FREELANCE WEBSITE DESIGN *2004 – present*

Designed, coded, and maintained functional, dynamic, and visually pleasing websites and applications using XHTML, CSS, PHP, MySQL, and Javascript.

Portfolio available online at <http://www.brynnshepherd.com>.

education

UNIVERSITY OF PENNSYLVANIA Philadelphia, PA *2006 – 2010*
